INSTALLATION INSTRUCTIONS

! Electrical products can cause death, injury, or property damage. Maintenance and installation should only be carried out by a professional electrician.

- Turn off the main power supply.
- Adjust the mirror to the position you prefer.
- Follow the step-by-step instructions to install.
- Check that all connections and hangings are tight.
- Turn on the main power supply.

WARNING

! Make sure that the products are installed properly before connecting to electricity. Do not cover the luminaire. Do not exceed the maximum wattage rating of the lamp. If the light source is contained in this luminaire (integrated LED), it shall only be replaced by the manufacturer, his service agent, or a similarly qualified person.

Horizontal or Vertical Installation Method
