

INDOOR TABLE LIGHT

2661

Please read instructions before commencing installation and retain for future reference.

SPECIFICATIONS

- **Lamp Type:** E27 | 40W MAX
- **Material:** Metal - Sandstone Gypsum
- **Ingress Protection:** IP20 Protection against entry of solid objects greater than 12mm in diameter.

INSTALLATION INSTRUCTIONS

! Electrical products can cause death, injury, or property damage. Maintenance and installation should only be carried out by a professional electrician.

- Place and screw the lampshade base into the correct position.
- Install an E27-type light bulb into the bulb holder.
- Place the lampshade onto the base.
- Plug the lamp's power cable into a power outlet, then turn the lamp ON using the ON/OFF switch on the cable.

WARNING

! Make sure that the products are installed properly before connecting to electricity. Do not cover the luminaire. Do not exceed the maximum wattage rating of the lamp. If the light source is contained in this luminaire (integrated LED), it shall only be replaced by the manufacturer, his service agent, or a similarly qualified person.
