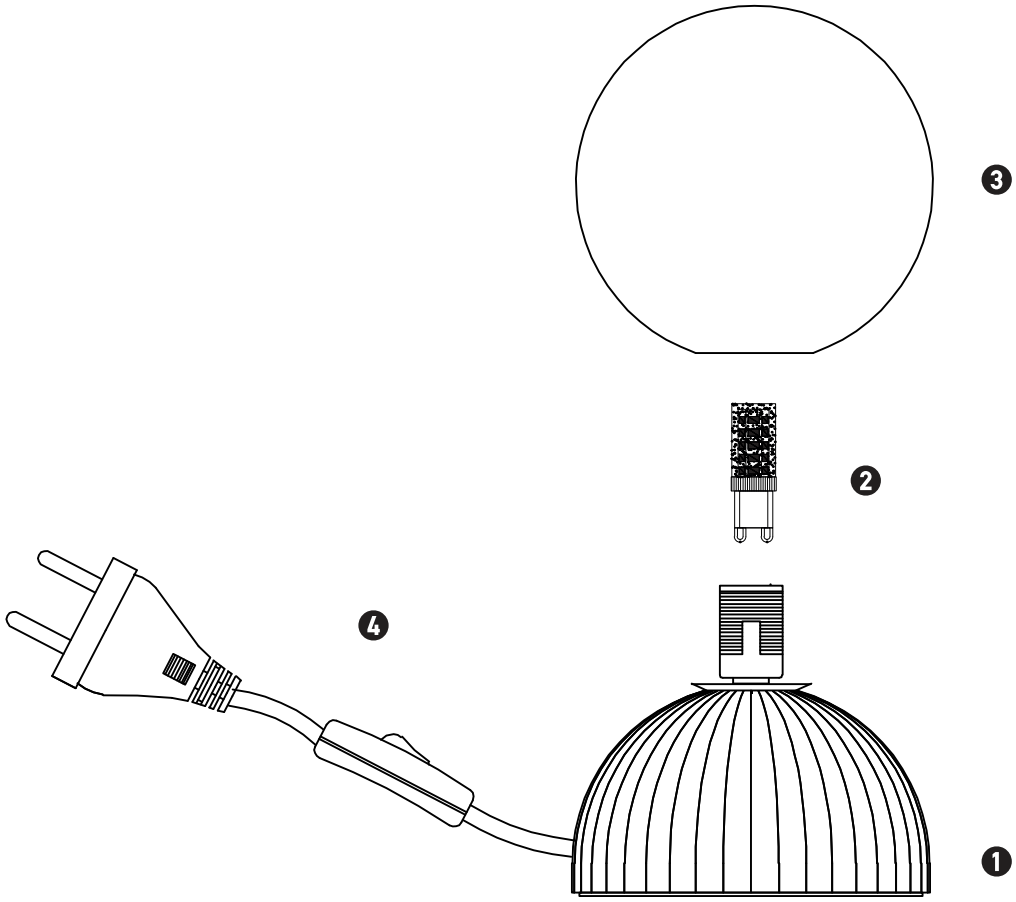
# INDOOR TABLE LIGHT 2589

**Please read instructions before commencing installation and retain for future reference.**



## SPECIFICATIONS

- **Lamp Type:** 2x G9 LED I 9W MAX
- **Material:** Clay I Metal
- **Ingress Protection:** IP20 Protection against entry of solid objects greater than 12mm in diameter.

## INSTALLATION INSTRUCTIONS

⚠ Electrical products can cause death, injury, or property damage. Maintenance and installation should only be carried out by a professional electrician.

- Place the base of the lamp on a flat and stable surface (1).
- Add the G9 LED type lamps into the lampholders (2)
- Secure the opal glass, tightening it gently until stable (3).
- Connect the power cable to the fitting, plug it into a power outlet, and operate the lamp using the on/off switch on the cable (4).

## WARNING

⚠ Make sure that the products are installed properly before connecting to electricity.
Do not cover the luminaire.
Do not exceed the maximum wattage rating of the lamp.
If the light source is contained in this luminaire (integrated LED), it shall only be replaced by the manufacturer, his service agent, or a similarly qualified person.
