- **Lamp Type:** LED | 20W | 3000K | CRI 90 | Triac
- **Material:** Metal | Acrylic | Clear Glass
- **Ingress Protection:** IP20 Protection against entry of solid objects greater than 12mm in diameter.

INSTALLATION INSTRUCTIONS

! Electrical products can cause death, injury, or property damage. Maintenance and installation should only be carried out by a professional electrician.

- Ensure the main supply is turned off.
- Install the mounting anchors on the ceiling (1).
- Add the mounting plate using M4 self-tapping screws (2).
- Connect the positive and negative ground wires, then connect the power cord (3). Make sure all connections are secure.
- Adjust the height of the single pendant light (4).
- Slide the decorative ceiling cover upward and secure it with the side screws to conceal the wiring and mounting plate (5).
- Reconnect the power.

WARNING

! Make sure that the products are installed properly before connecting to electricity. Do not cover the luminaire. Do not exceed the maximum wattage rating of the lamp. If the light source is contained in this luminaire (integrated LED), it shall only be replaced by the manufacturer, his service agent, or a similarly qualified person.
