INSTALLATION INSTRUCTIONS

Electrical products can cause death, injury, or property damage. Maintenance and installation should only be carried out by a professional electrician.

- Follow the instructions step by step.
- Make sure all connections are tight.
- Not intended for outdoor use.

WARNING

Make sure that the products are installed properly before connecting to electricity. Do not cover the luminaire. Do not exceed the maximum wattage rating of the lamp. If the light source is contained in this luminaire (integrated LED), it shall only be replaced by the manufacturer, his service agent, or a similarly qualified person.
